Starlite Ball

★ A Legacy of Light ★

*Celebrating the Lives We've Changed.
Lighting the Way for Tomorrow.*

*An Evening of Celebration, Impact, Transformation, and Possibility.
November 7, 2026 ★ St Eugene Golf Resort & Casino*

There are moments when a community comes together and creates something truly extraordinary. The EKFH Starlite Ball is one of those moments.

Recognized as one of the most special and highly anticipated events in the East Kootenay, the Starlite Ball brings together community leaders, businesses, healthcare champions, philanthropists, and supporters for an unforgettable evening dedicated to celebrating the incredible difference we can make when we come together.

This year, we are taking a moment to celebrate you.

Because every piece of equipment purchased, every program supported, every family helped, every patient cared for, and every life touched has been made possible because of the generosity and commitment of our sponsors and donors.

Together, we have changed lives.

And now, we are ready to light the way for what comes next.

★ **SPONSORSHIP OPPORTUNITIES** ★

A New Campaign for a New Standard of Care

At the Starlite Ball, the East Kootenay Foundation for Health will officially launch our \$1,000,000 campaign to bring a state-of-the-art 3Dimensions Mammography System with Artificial Intelligence to the East Kootenay Regional Hospital.

This is more than a technology upgrade. It is a life-saving initiative. Advanced 3D mammography combined with AI has the potential to detect more cancers earlier, improve diagnostic efficiency, enhance the screening experience, and help expand access to advanced breast imaging for women across our region.

Earlier detection can mean earlier treatment. Earlier treatment can mean better outcomes.

Better outcomes means more mothers, daughters, sisters, wives, friends, and loved ones getting the opportunity to live healthier lives.

This campaign is about investing in the future of healthcare in the East Kootenay and investing in the people who call this region home.

Being a Starlite Ball sponsor is about more than having your logo on an event.

It is about standing alongside your community when it matters most.

It is about celebrating the incredible impact we have already made together and helping us achieve what comes next.

Your sponsorship places your organization at the heart of one of the East Kootenay's most meaningful and celebrated evenings. It provides an opportunity to connect with community members, healthcare supporters, business leaders, philanthropists, and individuals who share a passion for making a difference. Most importantly, it demonstrates that your organization believes in something bigger!
